

# launch me!

Get your career in childcare off the ground – right here.

Launch Me! is a totally FREE programme to launch your career as a playworker, childminder, part of a nursery team, or as a foster carer. Work with children with disabilities, in residential or respite care, or in a children's centre. There are so many rewarding options.

It's open to everyone – either not currently working in children's services or looking to change careers within children's services. Launch Me! is an exciting opportunity to learn about the skills and qualifications you need to meet the challenges in early years and childcare.

**It really encourages you to make a start and focuses on finding the career that suits you.**

We'll pay your childcare and transport costs. All you need to do is to get in touch and book your place!

#### PROGRAMME 2

Start date: January 2010

Location: Moreton Area Centre, Moreton-in-Marsh

For further information please contact:

**Nicky Howe or Jane Whitmore on 01452 541244**
